Virtual and In-Person Volunteer Opportunities

If this year has taught us anything, it's that we are all in this together. There is so much we can do to help make a difference in our world and in the lives of our neighbors. We all come from different backgrounds and have many different skills and interests. When we Unite Together and support our local nonprofits with our time and our donations, we create a community where all people thrive regardless of income, race or place.

Here's a list of current volunteer opportunities. Choose one that's right for you.

We can transport individuals who reside in Goodhue, Rice or Wabasha Counties. In response to COVID-19, we are still limiting the number of individuals per transport, and all non-vaccinated drivers and riders must still wear a face covering/mask. We continue to conduct multiple COVID screenings to help ensure the safety of drivers and riders, and sanitation/cleaning supplies are provided.
